

PERSONAL LEARNING GOALS

HOME LEARNING MENU

MILEPOST 3 (YEAR 5 & 6)

ADAPTABILITY

- Take up a new activity or sport such as piano, yoga or rock climbing. Make a list of the rules or things that you have to remember when you visit this new place.
- Choose a new genre of books and then read at least five books in that genre.

RESPECT

- Design a poster for your parents and helpers at home, inviting them to a special treat that you have organised.
- DO a good deed everyday for two weeks. Record them in a log book.

DEEP THINKING

- Learn how to play Chess and organise a mini-tournament with your family or friends.
- Go to a book shop and find a book of logic puzzles. Solve a few pages each week.
- Plan an alternative set of Personal Home Learning Activities for your own or another milepost.

ENQUIRY

- Research a topic completely unconnected to current topic. Share your learning in an interesting way e.g. find out about your family tree and make a huge poster with pictures wherever possible.

RESILIENCE

- Practice "kick-ups" with a football. Mastery = 50 times.
- Learn to juggle 3 balls. Mastery = at least 50 catches.
- Solve a 500-1000 piece jigsaw puzzle.

INTEGRITY

- Choose a charity that you would like to support and plan an activity to awareness or raise money for it.

COOPERATION

- Learn to play some new board games with your friends and family. Take photos of each.

COMMUNICATION

- Use Duolingo app to learn some new, useful phrases in a different language. Teach them to your classmates.

INTERNATIONAL MINDEDNESS

- Choose an international event that we celebrate in our school. Find out about its history, tradition and practices.
- Visit an orphanage or elderly people's home with your parents. Record the similarities and differences between your own life and the lives of the people you meet.
