

PERSONAL LEARNING GOALS

HOME LEARNING MENU

MILEPOST 1 (YEAR 1 & 2)

ADAPTABILITY

- Try a new activity or sport with a new group of children. Take a photo for evidence.
- Draw a picture of a character in a story and explain how they adapted to a new situation.

COMMUNICATION

- Game On - Teach someone a new game. Discuss step-by-step rules and demonstrate the order of events.
- Storytelling - pick an audience and narrate a story or poem off by heart.

DEEP THINKING

- Art Genius - Create your own painting inspired by a famous painter: Starry Night by Van Gogh, Water Lilies by Claude Monet

ENQUIRY

- Use an online search engine (Kiddle) to find out the answer about something that interests you.

INTERNATIONAL MINDEDNESS

- Make a book or poster entitled 'All About Me'.
- On a world map, show where all of your friends come from.
- Choose a country from a continent different from yours. This country must be new to you or one you have never heard of. Make a poster of facts: food, fashion, flag, festivals, famous people.

RESILIENCE

- Practice a new skill until you master it: tying shoelaces, folding origami, new tricks on a skipping rope, or playing a new song on an instrument by heart.

RESPECT

- Plant seeds and care for the growing plant. Take photos to document its growth.

COOPERATION

- Learn how to play a new board game. Play it with your family and teach it to your friends.

INTEGRITY

- Keep a diary for a month of your own 'Good Deeds for the Day' that you do for your family or friends. One act of kindness per day.
