

PERSONAL LEARNING GOALS

HOME LEARNING MENU

YEARS 7 & 8

COMMUNICATION

- Set up a blog and use it to write about the things you find interesting.
- Take an online course in sign language.

DEEP THINKING

- Pretend you get to make one rule that EVERYONE in the world must follow. What rule would you make and why? Introduce your idea for a class debate.
- You can have three things that you want. In return, you must give away three things that are about the same size as the things you get. What do you get and what do you give away? Write a short essay or blog post to explain your choices.

ADAPTABILITY

- Think about two or more very different environments or places in which you spend time. Think and write about the things you do and say differently in each place in order to adapt to each situation.

ENQUIRY

- What is something you are genuinely curious about? Use a method besides Google to find out as much as you can, then share your new learning.

INTEGRITY

- Find a story about a public figure who is alive today and may or may not have shown integrity. Write about their actions and the rewards or consequences of their actions.

INTERNATIONAL MINDEDNESS

- Find out about the 5 most common world religions. What are the similarities and differences?
- Watch a movie in another language and reflect on the similarities and differences.
- Choose a global issue to learn more about. Share what you have learned in a blog.

RESILIENCE

- Challenge yourself to memories every capital city or flag in the world.
- Complete a 1000-2000 piece jigsaw puzzle.
- Build a tower using all 52 playing cards.

RESPECT

- Visit a local animal centre. Foster a dog or cat for a few weeks. Take photos for evidence.

COOPERATION

- Create a new game and play it with your family and friends.
